Term 3 Week 9 - 19th September 2019

We have had another successful week at South Grafton Public School.

Congratulations to our girls football (soccer) team who played Tamworth PS in the quarter final of the State PSSA Knockout on Tuesday. They were victorious 3 - nil and are very excited to be progressing to the State finals in Sydney on Monday 21st October. They started the competition with 409 teams, to make the final four in the state is an amazing achievement. We wish them all the very best in their next games. Congratulations to Mr Newman on his excellent coaching.

Congratulations to our Primary students who received their Silver Badge at our special morning tea on Tuesday. We are very proud of these students as this is a fantastic achievement. Thank you to Mrs Gillett for her organisation and Mrs Cassematis and staff for the delicious morning tea.

We are excited about our Market Day which is to be held next Thursday 26th September at the INFANTS campus. Donations of books, plants and baked goods to be sold on the day can be left at the Infants office or canteen on the morning of the Market. Baking trays are available from the Primary canteen and office, all baked goods need to be clearly labelled with the ingredients. A new note outlining the new map at Infants will go home today. We are looking forward to the enormous community support for this major fundraiser.

This term Stage 2 have been working on writing news stories to promote Market Day. Six talented and hardworking Year 3 students went to FM104.7 with Mrs Heyman to record their stories as radio ads. They enjoyed the real-world experience, were excited to see how a radio studio works and are looking forward to hearing themselves on 104.7FM and 2GF over the next week. Please keep your ear out for their ads.

We had the Smoothie Bike booked for our original Market Day date so our Primary students were able to utilise it last week. It was a great success raising \$334.

Congratulations to Braxson O'Davis who came 2nd in the final of the 8 yrs 100m at the North Coast Carnival and will now compete in the State Carnival in Sydney next term. This is a fantastic achievement and we wish him all the best, we know he will represent our school with pride.

Year 4 students left for their Lake Ainsworth excursion yesterday and return tomorrow before 5.00pm. They are enjoying their experiences so far and we look forward to hearing their stories when they return back to school next week. Thank you to Mrs Rouse, Miss Streader and Mr Kelly for accompanying the students on this excursion.

Today the Infants campus will be holding their Sports Day. This is a highlight on the Infants calendar for both staff and students as they spend the day together participating in running, novelties and marching. The students enjoyed being involved in the war cries and showed great team spirit. Thank you to Mrs Walters for her organisation and staff for ensuring a successful day. We appreciate the wonderful support of our community on these special occasions.

Thank you to our supportive group of parents involved in P&C who attended this week's meeting. They are working incredibly hard to ensure Market Day is a success and we thank them for their hard work and support of SGPS. We are very lucky to have a canteen on each campus operating daily which is run by the P&C. However our volunteer numbers are quite low so we are seeking further support from our school community to ensure the canteens can remain open daily. If you are able to help please contact Kelly Vickers on 0419 162 075.

NAPLAN results for Year 3 and Year 5 will be sent home today. If you have any questions please contact your child's teacher.

Next Tuesday 24th September we will be holding our PPP sports morning where students and their parents can enjoy a fun morning of running and games. Please remember to bring your preschooler along wearing joggers and a hat as this session will be outside all morning.

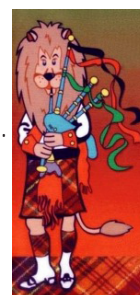

The year is quickly passing and we need all 2020 Kindergarten enrolment forms to be completed and returned to school as soon as possible to help with planning for 2020. Please contact the school with any questions.

Have a great week
